ESPERANZA DE LUZ BECOMES SAN DIEGO'S FIRST WGI INDEPENDENT WORLD CLASS WINTERGUARD.

The Esperanza Performing Arts Association is proud to announce the decision to promote Esperanza de Luz "Open" to the WGI World Class. The staff and administration feel that the Open Guard members have exceeded all expectations during the training phase of our season and that moving up to the World Class was the best decision for Esperanza de Luz and the winterguard activity at this time.

With this promotion, Esperanza de Luz has reopened its membership to new applicants to participate in San Diego's FIRST AND ONLY INDEPENDENT WORLD CLASS WINTERGUARD. Please contact us at Director@EsperanzaArts.org immediately to make arrangements to audition for WGI's newest World Guard. This opportunity will only be available for a short time so please do not delay.

Founded in the spring of 1997, Esperanza de Luz is supported by the Esperanza Performing Arts Association, which includes San Diego's FIRST and ONLY DCI Finalist, Esperanza Drum and Bugle Corps. Esperanza de Luz is the FIRST and ONLY Independent WGI Independent Open Medallist from San Diego County.

Please check our web site at www.EsperanzaArts.org for more information or email us at Director@EsperanzaDeLuz.org or call at 858 391-1311. If you want to be part of the Esperanza Experience you can only get that with Esperanza de Luz.
