Performing Arts Association

Hello everyone:

My name is Sue Givens and I will be managing the Esperanza Concessions Program this season. First I want to thank you for signing up to help out. The more leaders we have, the fewer games each person will be responsible for...so if you know of anyone else 21 or older who would be interested, please pass their info on to me. As of right now it looks like everyone will have to sign up for 4 - 5 games total. Not bad for the summer.

So you know, there will be a training session to get our health cards (required for each person working this season) on this Sunday, March 13 @ Orange Glen HS in Escondido. There is a booster meeting @ 4:00 and we will have training right afterwards @ 5:00. If you are not able to attend, it will be necessary to go down to Petco on a Saturday morning for the training. There is also a required Shift Leader training that we will have to go to Petco to complete. That training is on Wed evenings. I thought maybe we could find a date we all could go down together. So check your calendars and we'll talk about it on Sunday along with more info regarding what's expected.

I'm very excited to be doing this and am looking forward to getting to know you all!! Any questions before Sunday, feel free to e-mail me or call me @ 760-521-4407.

Again thanks!
